## *Foreword*

In this, The 1957 Globe, we have endeavored to present to you in words and pictures the story of the current school year. ## *Alma Mater*

Hail to thee, our Alma Mater,  
And the friendships here we've known;  
We have worked and played together  
For the school we call our own.

Hail to thee, dear Churchville High School,  
With thy colors green and gold;  
We have fought to save thy honor  
And thy praises we have told.

### Refrain:

Lift your voices, sing its praises  
As we journey down life's way;  
We have memories to remember  
And the joys we've shared each day.

## *Class Prophecy*

Just recently as my husband and I took a trip around the U.S., we happened to see some of our classmates of C.H.S. class of 1957. While talking to them we were brought up to date on the accomplishments of the remaining ones.

Boyd Sandy now owns some of the finest orange groves in Florida, and has employed Paul Hartman as his general manager.

Nancy Moneymaker just recently married one of the, "Merit Brothers". She and her husband are the proud owners of a group of chain stores.

Jimmy Wood and Baxter Bailey are teaching ballet and jitterbug in Hollywood, California and Rebecca Houseman is their star pupil.

Jerry Cox is now owner of the, "Cox Lumber Co.", in New York. Their main project is building skyscrapers.

Marlene Bartley has gone abroad I understand, and is studying fashions. She always was cut out for something like that.

Tommy Gregory is still stuffing birds at his bird farm in the Ozark Mountains. Doing quite well for himself I understand.

Mary Ann Shinaberry has just gone in business for herself. Recently she opened a chain of "Shinaberry 5 & 10¢ Stores", I understand business is at its peak.

Lloyd Kelley, a well known inventor, has just discovered the newest in "Mouse Traps".

Wayne Smith is a traveling salesman for Cherry Bomb Firecracker Co. I understand he is doing quite well.

Janet Hamilton appears nightly in the "Sands Hotel", in Las Vegas. She has her own act.

Susan Hoover finally married Craig and is now living in Pittsburgh, Pa. They have a lovely set of twins.

Ray Swats left recently for Texas to attend the annual Rodeo. I think he is competing against Hopalong Cassidy.

Ann Siron is now one of the head stewardess for T.W.A. She seems to like her work fine.

Allen Lambert has the position as manager of the New York Yankees, since Steingal was fired.

Nelson Bartley is president of Lightner Power Co. located in Brandy Wine, West Virginia.

Mary Belle Lambert is running Belle's Beauty Shop in Stuarts Draft, Virginia.

Evelyn Powers is the new secretary for Tab Hunter and Uh! La! La!

Donnie Hevener is the proud owner of a thoroughbred cattle ranch in Wyoming.

Patsy Buzzard has joined the Wac's and is private secretary for Elvis Presley.

Glenna Buzzard has settled down to the Deerfield Valley with her husband Billy and their children.

Lacy Shifflett is now working for Ringling Bros, and Barnum Bailey Circus. He has one of the main attractions his trained fleas.

Laverne Kelley is now modeling for Seaside Dress Shop in Miami, Florida.

Now we are back in the Belgium Congo giving clarinet lessons to the natives. We have recently established our home here.
